

Outcomes 2018 - 2019

Pupil premium

£164960

Principles

- We ensure that teaching & learning opportunities meet the needs of all the pupils.
- We ensure that appropriate provision is made for all pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil Premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals.
- All our work through the pupil premium will be aimed at accelerating progress moving children to at least age related expectations. Initially this will be in literacy and numeracy.
- Pupil premium resources may also be used to target able children on FSM.
