Rain, Rain, Go Away!

This week has been a very wet but very busy week at Clifton. I want to say a huge well done to all our Y1s and 2s who took the Phonics Screening Check. They all tried their very best and showed off the excellent progress they have made throughout the year. At the same time, Y4 were taking on the Multiplication Tables Check - 25 mixed tables questions with only six seconds to answer each question. The pressure was really on but just like our Y1s and 2s, the Y4s showed they could handle that pressure and let their mathematical skills come to the fore!

Finally, Y6 came up with an original business, created a business plan - complete with accounts and then pitched to the Dragons. Today saw the culmination of all their efforts and it was a great success enjoyed by all the school.
